di Automatica e Informatica

DAUIN PHD POSTER DAY

PhD in Computer and Control Engineering

WHEN?

Thursday **October 11, 2018**
from 10:00 to 13:00

WHERE?

Department of Control and Computer
Engineering (DAUIN), 2nd floor
Corso Castelfidardo, 34/D - Torino

DAUIN PhD students at the end of their studies (XXXI cycle) will present and discuss their research activities. The event is an opportunity to discover the PhD program in Computer and Control Engineering and to better understand the research activities carried on at DAUIN. It is open to everyone interested.
