NAVIGATING THE SECURITY LANDSCAPE IN THE ERA OF DATAFICATION

6th SEMINAR

MAY
24

2.30 pm

Aula R4
Politecnico di Torino

Nicola Fioranelli

Nicola Fioranelli holds a Master's Degree in Computer Science (2020) from Polytechnic of Turin and a Specialization Course in Cybersecurity, Cyber Risk and

Data Protection from Marche Polytechnic University. After the graduation he joined UniCredit, a pan-European Commercial Bank with a unique service offering in Italy, Germany, Central and Eastern Europe. His activity is essentially focused on Data Security and its declinations, collaborating with leading partners in the international market to develop and extend solutions suitable for large enterprises such as UniCredit Group. After four years in this role, he has now followed the Group Chief Security Officer as business assistant.
